

Youth for
Policy.org

an initiative of  IID

Youth for Policy promotes active involvement of youth in the public policy process. It organizes **policy campaigns** and evidence-based policy discourses on youth related issues, runs **policy camps** for young **policy entrepreneurs** and connects youth and volunteer networks with the policy community.

One of the major focus areas of youth for policy is **fairer labour migration**.

Youth for Policy initiatives include—

 YouthManifesto

An initiative to bring youth voices in electoral and political commitments

 PolicyCamp

A residential workshop to train and engage youth in public policy

 Youth PolicyForum

A series to bring grassroots voice to national policy discourse

PolicyCamp for

Youth Policy Fellows

IID is a public policy institute that promotes informed public participation in the public policy process. IID is registered as a nonprofit organization in Bangladesh under Section 28 of the Companies Act 1994.

Vision

Making policy public for an informed, inclusive and democratic society

Mission

Inquire evidence for policy

Inform people and policy makers

Involve public in public policy

IID *on Migration Policy Advocacy*

IID is working with a consortium of development partners to improve the transparency and accountability of the migration process by advocating for the implementation of evidence-based and participatory migration policy. The member of the consortium include- IID, WARBE, RMMRU, BOMSA and YPSA.

This partnership for Fairer Labour Migration (FLM) is a part of the PROKAS (Promoting Knowledge for Accountable System) project. PROKAS is funded by the UK's Department for international Development (DFID) and implemented by a consortium led by the British Council, supported by Palladium and WISE Development
